## **INTRODUCTION**

The policies and procedures contained in this Parent/Student Handbook are the result of a concerted effort on the part of the faculty and the administration. The rules and regulations contained in this book have been adopted by the School Board and govern the conduct of all students. Included are various policies and timely hints set up for you to follow throughout the school year. Parents are referred to the District Handbook for more specific details on district policies outlined in this handbook.

## GENERAL INFORMATION

THE SCHOOL DAY: The school day officially opens at 8:00 a.m. and closes at 3:15 p.m. Students are not to be dropped off before 7:40 a.m. or remain in the building after 3:30 p.m. unless they are involved in a directed activity or are receiving assistance from a teacher.

DROP OFF/PICK UP: The north parking lot is designated for parents to drop off their children in the morning and pick up their children at the end of the day. **The south bus lot is reserved for buses only from 7:40-8:05 each morning and 3:00-3:30 each afternoon.**

AGE OF ADMISSION: In order to enter District #2184 Public School, kindergarten students must have reached the age of 5 years before September 1 of the current year.

DIRECTORY INFORMATION: Directory information may be released to the public without prior parent or student consent unless the parent or student, if the student is 18 or older, has objected in writing to the release of one or more category of such information. According to School Board Policy 605.1.4.1P directory information includes the following:

Student's name	Grade levels completed
Student's address	Weight and height of members of athletic teams
Student's telephone number	Dates of attendance
Date and place of birth	Degrees and awards received
Names of students' parents	The most previous educational institution attended
Participation in officially recognized activities	Photo of student if available

LUNCH: All students receive a lunch/recess time during the day.

Lunch A: 10:30-11:25

Lunch B: 11:05-12:00

Lunch C: 11:40-12:35

FOOD SERVICE: Breakfast and hot lunch is offered to all students. Breakfast will be served from 7:30 - 8:00 a.m. (Prices are subject to change.)

### BREAKFAST

Adults	<b>3.00</b>
Kindergarten Students	No Charge
Students 1-5	2.00

### LUNCHES

Adults	4.00
Students K-5	3.50
Students K-5 Reduced	No Charge

1. One account is set up on the lunch program for each family. Money may be sent in the mail or brought in by the student/parent. Money can also be deposited through the online Pay Schools program. All lunch money brought to school should be given to the classroom teacher or the elementary office. A receipt will be given for the money received; we suggest that you keep this receipt for verification. **Notification of any negative balance will be sent home in the Friday Folder.**
2. Free and reduced priced breakfast and lunches are offered to all students who qualify. Parents should check with the Superintendent's Office for qualifications and applications.

TELEPHONE: A telephone is located in the elementary office for students to use in case of an emergency. Messages from parents will be taken and distributed at the end of the day.

CELL PHONES ARE BECOMING MORE COMMONPLACE WITH OUR STUDENTS. IF STUDENTS BRING A CELL PHONE TO SCHOOL, THE PHONE IS TO REMAIN OFF DURING SCHOOL HOURS AND IN THE STUDENT'S LOCKER OR CHECKED IN WITH THEIR TEACHER. Any phone seen or heard during the school day will be held until the end of the school day. Students may pick up the phone at the school office on the first incident. Parents will need to pick up the phone on subsequent incidents.

**LOCKERS AND DESKS:** A hall locker is furnished for each student. Lockers are the property of District #2184 and can be inspected or searched by school personnel at any time without warning. This service is for your convenience to provide a place in which to keep your possessions. The school is not liable for items lost or stolen from lockers. The school reserves the right to search any locker or desk when deemed necessary. **Further information may be found in District Policy 502, which is available at the District Office or online.**

**MONEY AND SAFEKEEPING:** Students are encouraged not to bring money or valuables to school. Large sums of money should never be carried to school. In the event it is necessary to bring money or valuables, check it with the office for safekeeping.

**STUDENT ACTIVITY PASSES:** All K-12 students enrolled in Luverne Public Schools are eligible for a free student pass for all home school activities. Students in K-5 are required to be accompanied by an adult.

**APPROPRIATE DRESS:** All students are expected to observe standards of dress and grooming which emphasize neatness and appropriateness.

1. Footwear must be worn at all times. Students are encouraged to wear tennis shoes to school to prevent foot/toe injuries.
2. Shorts should be of walking shorts length.
3. Tank tops should have straps on both shoulders.
4. No spaghetti string tops or halter-tops are allowed.
5. Students are not to wear headgear in the school building.

If a child comes to school wearing inappropriate clothing as per the principal's discretion, they will be required to either: 1) change clothes, borrowing from supplies we have on hand or, 2) wait in the office until someone from home can deliver appropriate clothes.

**WINTER CLOTHING:** Parents are urged to provide their children with coats that are sufficiently warm, snow pants, mittens, caps, etc. when the weather is cold. Students will spend time outside everyday except for when it is raining or when we have extreme cold conditions. The school recommends that students wear boots when the weather is cold and snowy. Children will be required to stay on the blacktop where it is dry if they are not wearing boots.

**BICYCLES:** Bicycles are wheeled vehicles and when on the road must always be driven on the right side, obeying every traffic rule and sign. At busy intersections the bike should be walked across the crosswalk under the direction of the patrols. During school hours, bicycles are to be walked on the sidewalk while on school grounds and be parked in the bike racks located on both the north and south sides of the building. Skateboards and rollerblades are not to be used on school grounds. Students are to remove rollerblades and carry skateboards when on school grounds. Students are encouraged to use a bike lock.

**PLAYGROUND EXPECTATIONS:** Luverne Elementary School recognizes the importance and value of recess time during the school day. Students benefit from the physical activity and the opportunity to socialize with peers. In order to create a safe place for all students at recess, the following expectations have been developed:

**BE SAFE:** All students have the right to feel safe at school.

- Listen and follow directions of adults on the playground
- No rough housing
- Use all equipment appropriately

**BE RESPECTFUL:** Treat everyone with kindness.

- No inappropriate language
- Teasing or name calling will not be tolerated
- Game rules will be followed with no excessive arguing

**BE RESPONSIBLE:** We are responsible for our actions and our words.

- First Violation - Student will be reminded of the expectation and receive a warning to correct the behavior
- Second Violation - Student will have a time out with length determined by the supervisor
- Third Violation - Student will be referred to the office. Students will receive an automatic office referral for fighting or disrespecting the supervisor.

Students referred to the office will sit out the remainder of that day's recess and will have a restricted recess the following day. A restricted recess will be determined by the situation and may include but is not limited to:

- Additional recess time out
- Limited activities during recess
- Modified recess with a smaller group or different location
- Office detention

**VISITS:** It is our policy not to allow visiting relatives or students to visit during school hours. When this happens, it is often a disrupting influence in the classroom. The only exception would be that a former student may visit with prior approval through the office.

Parents are invited to visit school at various times during the school year. Appropriate visit times include performances and/or student presentations. Visits during lunch time are limited due to space. Lunch visits should be scheduled with the child's classroom teacher. Parent visits to the classrooms are limited due to data privacy concerns. These visits are limited to no more than an hour and need prior approval through the office.

**SNACKS/TREATS:** Parents are often asked to provide classroom snacks for break time. It is also traditional for parents to bring in treats for their child's birthday. Parents should check with their child's teacher regarding guidelines for classroom snacks and treats. All food brought to school should be commercially prepared. No homemade treats will be allowed in school.

**SAFETY & SECURITY DRILLS:** Staff and students have been trained with the ALICE program to Alert, Lockdown, Inform, Counter, and Evacuate in response to emergency situations. Luverne Elementary School conducts fire, severe weather, and ALICE drills throughout the year. Students are to familiarize themselves with

exit routes from each class. It is important that movement is made rapidly and orderly. Tampering with fire extinguishers and fire alarms is against Minnesota law and subject to a misdemeanor charge.

**INCLEMENT WEATHER:** In the event of inclement weather, any announcements of school closings will be made over KQAD, Luverne – AM 800 and FM 101.1, and KWOA, Worthington – AM 730 and FM 95.1. Announcements will also be listed on the local TV stations KELO, KDLT, and KSFY.

Weather related announcements will also be sent to parents via text and phone with our School Messenger program. Parents are encouraged to inform the school of their most current contact information to ensure proper notification.

## **ATTENDANCE**

It shall be the responsibility of the student and parent to see that the student attends school every day school is in session. The school and the community place great emphasis on regular attendance because it is absolutely necessary for satisfactory progress in school. **State Law requires that all children between the ages of 7 and 16 must attend school every day that school is in session. No child can be excused from compulsory school attendance until after he has reached the age of 16.**

**Student's Responsibility:** It is the student's right to be in school. It is the student's responsibility to attend all assigned classes and study halls every day that school is in session and to follow the correct procedures when absent from an assigned class or study hall. Therefore, it is also the student's responsibility to be familiar with all the procedures governing attendance. Finally, it is the student's responsibility to request any missed assignments due to an absence.

**Parents' or Guardians' Responsibility:** It is the responsibility of the student's parents or guardian to encourage the student to attend school, to inform the school in the event of a student's absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

**Teacher's Responsibility:** It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to avoid confusing the students. It is also the teacher's responsibility to provide any student who has been absent with any missed assignments upon request.

**Administrator's Responsibility:** It is the administrator's responsibility to encourage students to attend all assigned classes and study halls. It is also the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students. It is also the administrator's responsibility to maintain accurate records on student attendance and to publish a legible list of the previous day's absences, stating the status of each. Finally, it is the administrator's responsibility to inform the student's parents or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

Therefore, in accordance with the regulations of the State Department of Education and the Minnesota Mandatory Attendance Law, Minnesota Statutes Section 120.10, the students of District No. 2184 are REQUIRED to attend all assigned classes and/or study halls every day school is in session.

**NOTIFICATION OF ABSENCES:** The school must be notified of a student's absence by the parent (or guardian). This pertains to all students regardless of age.

1. If a student is absent from school in the morning, **the parent or guardian must call the elementary office between 7:30 a.m. and 8:30 a.m.** The phone number is 283-4497, option 3.
2. Any student who has been absent for any part of the day must bring a note to the elementary office when they return to school.
3. If a student has been in school any part of the day but plans to be absent from school later, the school must be notified by written permission from the parent prior to the time the student leaves. **The parent must sign the student out at the office before leaving the school building.**
4. If a student becomes ill at any time during the school day, he/she must get permission to go home from the school nurse or office staff. Parents or guardians will be contacted.

5. Pre-excused absences are encouraged for certain occasions such as out-of-town medical appointments. To obtain such an excuse, the student must bring written permission from his/her parents at least one-day in advance of the planned absence.
6. It is realized that an occasion may arise when a parent may feel it necessary to request that a student be excused from school to work at home. Such requests should be limited. Any absence for work should be only from the student's own parents. Working for anyone other than parents will be an unexcused absence.

**MAXIMUM ABSENCES:** Students will be allowed up to **ten** absences per semester. The following are examples of excused absences:

1. Illness of the student
2. Serious illness or death of family member
3. Dental and medical appointments which cannot be made outside of school time
4. Court appearances will be excused in advance by bringing the "summons to appear" to the office.

Any student receiving an **eleventh** absence without a physician's excuse shall be marked unexcused.

**UNEXCUSED ABSENCES:** As required by current statutes, regulations of the State Department of Education, and the School Board of District #2184, students shall be in attendance each day that school is in session. The authority to decide whether an absence is excused or unexcused rests with the building principal. Students returning to school following an absence will be expected to complete all missed assignments within a reasonable period of time. For purposes of this policy, truancy is the absenting of one's self from school or class without the knowledge and approval of the school. Truancy will be considered as an unexcused absence, parents will be notified and disciplinary action will be taken. Students will receive zero "0" credit for all classes missed.

**TARDIES:** A student will be marked tardy if he/she is not in his/her homeroom before the 8:00 bell. Students with more than 6 unexcused tardies in a trimester will be referred to the office.

**LEAVING THE BUILDING:** Medical and dental appointments may be scheduled during the school hours when it is impossible for the doctor to see the student at any other time. A written note from the parents stating the time of the appointment must be received before permission is given. **Parents are to sign out their children in the office when they must leave school grounds. No child will be permitted to leave without a parent or designated adult accompaniment.**

**MAKE-UP WORK:** If students are gone **one day** because of illness, no arrangements will be made to receive make-up work. If students are gone **two or more consecutive days** because of illness, parents are encouraged to call for make-up work. Calls should be made by 10:00 a.m. and homework may be picked up at the elementary office.

## **ACADEMICS**

CURRICULUM: Grade level curriculum guides will be provided upon parent request. This guide will detail the curriculum provided in each subject for your child's specific grade level. Parents who have questions regarding the curriculum are asked to contact the elementary office with concerns.

PERMANENT RECORD FOLDER: A permanent record folder is kept on every child enrolled in the elementary school. Information included:

Family information	Attendance
Standardized test scores	Pictures
Withdrawal information	Final grades

This information is considered confidential and may be seen only by parents, school personnel and those authorized by the parents. Some students may have an additional file if they are receiving any services through our special education department.

REPORT CARDS: At the end of each grading period, individual grade reports for each child are given to the students or to the parents at Parent-Teacher Conferences.

PARENT-TEACHER CONFERENCES: Parent-teacher conferences are scheduled for every student each fall. Conferences allow parents and teachers to share information about the students and to better meet his/her needs. This is a very important part of each child's education. Additional spring conferences are scheduled as needed upon request of parents or teacher.

## **DISCIPLINE**

The Discipline Program at Luverne Elementary School will emphasize respect and responsibility in all areas. The Luverne School System also has a responsibility which goes beyond the educational program by exercising every precaution to safeguard and control pupils while on the school premises, when using school transportation, and school related activities away from the school grounds.

### **SOARR PROGRAM:**

Luverne Elementary School has implemented a Positive Behavior Interventions and Supports Program (PBIS). PBIS is a nationally recognized program that provides a framework to implement the best evidence-based practices for improving academic and behavior outcomes for all students. The PBIS program at Luverne Elementary is called "SOARR." SOARR stands for Safe, Optimistic, Achieve, Responsible, and Respect. These are the values we emphasize with our students.

A behavior matrix has been developed to define the behavior we expect from all students in various situations. We expect students to be Safe, Responsible, and Respectful. Staff will teach students what it means to be safe, responsible, and respectful in various locations and situations in our school. This educational piece is a key aspect to our SOARR program.

A second component to our SOARR program is to encourage students to follow rules and to behave appropriately through acknowledgement and praise. Students will earn Cardinal Cards as acknowledgement for doing the "right thing." We celebrate these acknowledgements with weekly drawings and recognize other student accomplishments at our school-wide assemblies each month.

Students will receive a behavior ticket when demonstrating inappropriate behavior. Minor discipline issues will be addressed by the classroom teacher. Major behavior infractions will be referred to the principal's office. These discipline issues will be documented to enable staff to identify patterns or "trouble" areas. Once identified, these areas can be addressed through increased monitoring, re-teaching expectations, and/or reinforcing the appropriate behavior.

The mission of Luverne Public Schools is that, "Staff, students and community will work together to provide quality education and co-curriculars that result in high individual achievement in all areas of life." The SOARR program supports the district's mission by providing a Safe environment for all students, encouraging Optimistic and

positive attitudes, fostering academic Achievement, teaching students to be Responsible for their actions, and promoting Respect for everyone. We SOARR with success!

Disciplinary action may be taken against students for any behavior which is disruptive of good order or which violate the rights of others. The following acts are unacceptable behavior at school sponsored activities or on the school grounds and are subject to disciplinary action in accordance to District #2184 policy 506:

**DAMAGE TO SCHOOL OR PERSONAL PROPERTY:** All students are expected to show respect for school property and the personal property of other students or staff members. Students will be responsible for making restitution to the appropriate parties.

**PHYSICAL/VERBAL ASSAULT:** Physical assault is an act, which intentionally inflicts or attempts to inflict bodily harm upon another. Verbal assault is the use of abusive, threatening, profane, or obscene language, either oral or written by a student toward a staff member or another student including conduct which degrades people because of their race, religion, ethnic background, or physical or mental handicap. Physical and verbal assault by students against staff members or students is considered to be detrimental to a sound educational atmosphere and the principal or staff member must take immediate action to halt such behavior. In reacting to incidents of assault, staff members may be required to use reasonable physical force to prevent or minimize injury to student or staff.

**INAPPROPRIATE LANGUAGE/NAME CALLING:** The Luverne School District has adopted a Zero-Tolerance policy with regard to obscene or profane language. Students will be assigned detention when they use inappropriate language and/or name-calling. Some names, jokes, or phrases may also constitute sexual harassment and may be a violation of the district harassment and violence policy (no. 413).

**THREATS AND DISRUPTIONS:**

1. **Dangerous Threats:** Threats to normal school operations or school activities including, but not limited to the reporting of dangerous or hazardous situations that do not exist are unacceptable. Suspension or expulsion could result.
2. **School Disruption:** Any student whom disturbs or interrupts the peace and good order of the school or school-sponsored activities will be subject to disciplinary action.

**INSUBORDINATION:** Insubordination is the willful disregard of an adult's instruction. This includes any student who does not follow or refuses to follow reasonable direction and expectation of an adult.

**WEAPONS POLICY:** No students shall possess a weapon when in the school building, on school grounds or on any school-sponsored trip or activity. Possession refers to having a weapon on one's person or in an area subject to one's control on school property or at a school trip/activity. Weapons are identified in three categories:

1. A "weapon" means any object, device or instrument designed as a weapon or through use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; airguns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; numchucks; throwing stars; explosives; fireworks; mace and other propellants; stunguns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon.
2. No person shall possess, use or distribute any object, device or instrument having the appearance of a weapon and such objects, devices, or instruments shall be treated as weapons including, but not limited to, weapons listed above which are broken or non-functional, look-alike guns; toy guns; and any object that is a facsimile of a real weapon.
3. No person shall use articles designed for other purposes (i.e., lasers or laser pointers, belts, combs, pencils, files, scissors, etc.), to inflict bodily harm and/or intimidate and such use will be treated as the possessions and use of a weapon.

**A student who finds a weapon on the way to school or in the school building and takes the weapon immediately to the principal's office shall not be considered to possess a weapon.**

**CORRECTIVE MEASURES AND DISCIPLINARY ACTION**

Disciplinary action used will depend upon the nature of the behavior, the frequency, and the degree to which the student is willing to try to correct undesirable behavior. Each incident must be considered on an individual basis by the teacher or administrator. These procedures may include, but are not limited to:

1. Conference with Teachers, Counselors, or Principal
2. Detention or restriction of privileges
3. Loss of School Privileges
4. Removal from Class: It is a part of the school policy that each teacher has a responsibility and authority to maintain proper order in his/her classroom. If a student refuses to cooperate, the teacher will remove the student from class. The student is to report directly to the appropriate principal's office and the teacher is to file a written report on the incident at the end of that class period.
5. Suspension: Suspension is the short-term exclusion of a student from school, school property, and school sponsored events for a period exceeding one school day. During the term of suspension, the parent assumes custody of the student during school hours. Suspension may be for a period of up to fifteen (15) days. Students will be given a written notice of suspension at an informal administrative conference. Every attempt will be made to contact parents at the time of suspension. Parents will be notified of suspension by certified mail. All provisions of the Pupil Fair Dismissal Act of 1974 as amended will be adhered to. If a student returns to school or school sponsored activities without permission during the suspension, the action can be considered a violation of the suspension and may be cause for further disciplinary action. **A parent is expected to accompany the student for a reinstatement conference when a suspension is completed.**
6. Modified Student Program: After consultation with parents and staff, the principal may alter the student's class schedule by transfer or exclusion.
7. Alternative Program: The principal may upon approval of the superintendent prescribe a specific alternative educational program, which is believed to best serve the interest of the student and the school.
8. Police or Court Referral: The principal may refer a student to the court for incorrigibility or truancy. The principal may ask for the assistance of the local authority when appropriate.
9. Referral to Superintendent: The principal may refer a student to the superintendent for disciplinary action. The referral will be accompanied by a complete and up-to-date disciplinary record, and a hearing will be conducted before taking any disciplinary action. The student and parents will be notified of the hearing. At the hearing, the student may be accompanied by the parents or counsel. The principal and other personnel may be present.
10. The superintendent may take one or more of the following actions:
  - a. Defer action.
  - b. Place the student on home instruction.
  - c. Place the student in a modified or alternative program.
  - d. Attempt to seek placement in a school outside the district.
  - e. Refer the student to the school board for expulsion in accordance with State Law.
11. Expulsion: Expulsion is an action taken by the school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond the school year. Only the school board can expel a student and shall do so in accordance with the provision of the Pupil Fair Dismissal Act of 1974.

**UNDER CERTAIN SITUATIONS, THE PRINCIPAL MAY DEVIATE FROM THE DISCIPLINE HANDBOOK.**

## **HARASSMENT AND VIOLENCE**

Everyone at District #2184 has a right to feel respected and safe. Consequently, we want you to know about our policy to prevent harassment and violence of any kind.

1. A harasser may be a student or an adult.
2. Harassment may include the following when related to religion, race, sex or gender
  - a. name calling, jokes or rumors;
  - b. pulling on clothing;
  - c. graffiti;
  - d. notes or cartoons;
  - e. unwelcome touching of a person or clothing;
  - f. offensive or graphic posters or book covers; or
  - g. any words or actions that make you feel uncomfortable, embarrass you, hurt your feelings or make you feel bad.
3. If any words or action make you feel uncomfortable or fearful, you need to tell a teacher, counselor, the principal or the Human Rights Officer (District Superintendent).

4. You may also make a written report. It should be given to a teacher, counselor, the principal or the Human Rights Officer (District Superintendent).
5. Your right to privacy will be respected as much as possible. We take seriously all reports of religious, racial or sexual harassment or violence and will take all appropriate actions based on your report.
6. The School District will also take action if anyone tries to intimidate you or take action to harm you because you have reported.
7. This is a summary of the School District policy against religious, racial and sexual harassment and violence. Complete policies are available in the District office upon request or can be found online.

**NOTE: Minnesota High School League rules apply.**

**RELIGIOUS, RACIAL AND SEXUAL HARASSMENT AND VIOLENCE  
ARE AGAINST THE LAW.  
DISCRIMINATION IS AGAINST THE LAW.**

## **STUDENT SERVICES**

The counseling department provides services to help students with educational, personal, and social problems and questions. Professional counselors work with students and parents in a setting that allows confidential discussion of the student's concerns.

## **HEALTH SERVICES**

Health services are available to all students and staff during the school day. The school nurse's office is centrally located to serve all throughout the district. School nurse's office hours are 7:30 AM – 3:45 PM daily. Phone Number: 507-283-4491 & 507-283-4497 Email: p.paquette@isd2184.net

The school nurse/health office personnel provide emergency care, assessments and interventions for illness and injury occurring during the school day. The school nurse provides individualized health plans for students with special health needs. The school nurse will request annual health information for all students and emergency health plans as needed for students with medical diagnosis that could become emergencies at school i.e. seizures, diabetes, asthma, and allergies. If students become ill during the school day, the students should report to the health office and the school nurse/health office personnel will decide what action should be taken. Students are not to leave the building, because of illness, without authorization. If the health office is locked, students are to report to their respective school office: Elementary School or Middle School/High School.

The school nurse maintains a permanent health record for each student. This record contains their immunization records, screening results, medications, and special health needs. The student's health record will be shared with school personnel that have legitimate educational interest in the student.

The school nurse and his assistants will provide vision, hearing, height and weight screening for the students in grades kindergarten through 5th grade and all the 8<sup>th</sup> and 11th grade students. All students with special concerns will be screened as well. The parents will be notified of any screening results that do not meet minimum guidelines according to the Minnesota Department of Health.

**RETURNING TO SCHOOL FOLLOWING AN ILLNESS:** If a student is ill with a fever (over 100.1) or has stomach flu related symptoms (vomiting and/or diarrhea), he/she must be symptom free for 24 hours before returning to school. The student should not receive any fever reducing medicine or have a stomach flu related episode within that 24 hour time period. If your child has been diagnosed with a contagious illness (for example: strep throat), and has been prescribed an antibiotic treatment, he/she should be on the antibiotic for 12-24 hours before returning to school depending on the diagnosis.

### **PRESCRIPTION MEDICATION ADMINISTRATION:**

1. For a student requiring prescription medication during the school day, the medication will be given with written authorization from both parent/guardian and physician/licensed prescriber. Medication authorization forms are available from the health offices and on the school website. Authorization must be renewed each school year, and may be faxed to the Luverne Public Schools (283-9681).
2. The Luverne Public School District may rely on a verbal request from the parent and licensed prescriber to the licensed school nurse to administer medication for up to two school days, until authorization is received.
3. All medications must be in the original pharmacy labeled container. Each container should have the name and phone number of the pharmacy, student's name, physician's name, medication name, dosage, time to be given and route (oral, inhaled, etc.).
4. Medication will be kept in the Health Office in a locked and limited access storage space and administered by the licensed school nurse or his designee. When appropriate, a student can carry and/or self-administer a prescription medication with written authorization from the parent/guardian and physician/licensed prescriber.
5. The Luverne Schools will not administer any medications that are not approved and regulated by the Federal Drug Administration (FDA).
6. Medication will be returned or destroyed when discontinued, or at the end of the school year, in accordance with the procedure for medication destruction.
7. The parent or student 18 years old or older must immediately notify the school in writing of any changes in the student's prescription medication administration. A new medical authorization and container label with new pharmacy instructions will be required.

**NON-PRESCRIPTION MEDICATION:** The Luverne Schools has acetaminophen (generic Tylenol) and ibuprofen (generic Advil) available for students with complaints of headache and/or muscle aches. Written parent/guardian permission must be on file for students to receive acetaminophen or ibuprofen at school.

Any other over the counter (OTC) medication (e.g. cough/cold remedies, antihistamines, pain relievers, anti-inflammatories) to be administered at school must be sent in the original container with written parent/guardian permission. An over the counter authorization form is required and is available in the health offices and on the school website. The time the student last received the medication must also be sent. **Further information may be found in District Policy 602.09 which is available at the District Office or online**

**IMMUNIZATIONS:** All students enrolled in Luverne Public Schools are required to show proof of immunizations according to the current Minnesota immunization law. **If a student has not received the immunizations required by state law, the student will not be permitted to attend school until all such immunization requirements have been met or one of the following conditions have been met:**

1. A statement signed by a physician or staff of an immunization clinic, stating that the student has commenced a schedule of the immunizations, and the dates of the initial immunizations and planned dates for further immunizations are included. The subsequent vaccinations must be completed within 30 days of the vaccine being due or the student will be excluded from school.
2. A statement signed by a physician stating that the immunization is contra-indicated for medical reasons, or that laboratory confirmation of the presence of adequate immunity exists.
3. A notarized statement signed by the student's parent or legal guardian stating that the prescribed immunizations are contrary to conscientiously held beliefs of the parent or guardian.

**HEAD LICE, FLEAS OR SCABIES:** If a student is found to have head lice, fleas or scabies, parents will be notified and the student will be sent home for treatment. It is the expectation of the school that you and your student seek the appropriate medical attention and treatment immediately. Appropriate steps need to be performed in your home IN ADDITION to those being done for your student and family members. The student may return to school after the appropriate treatment(s) have been performed.
