## **FamilyU After School Child Care (Kdg - Grade 5)**

This child care program, which runs year-round for students in grades K- 5, is located in **Elementary School Room 210**. Care is **provided from 3:30 to 5:30 on school days and continues full days during the summer months in conjunction with Community Education's Morning Rec program**. No care is provided during holiday breaks, on all-day inservice days or on days when school is dismissed early because of weather.

Children participate in games, arts and crafts, character building and self-esteem activities. Children play outside daily, weather permitting. During the school year, time is set aside for homework and reading. During the summer, field trips, swimming lessons, library outings and more are planned into each week.

Program fee during the school year is \$22/week. During the summer, rates are \$65/week for the half days during the weeks of Morning Rec and \$100/week for the weeks of full days. There is an additional summer activity fee.

Register at Community Education in May for Morning Rec. Payments are due in advance for every 2 weeks.

Registrations are accepted throughout the year if there are openings. Names may be placed on a wait list for available openings with a 2 week non-refundable deposit fee that will be applied to your first child care payment. First priority is given to year round care, then school year care. On May 11, if there are no summer openings, the deposit fee will be refunded. On September 9, if there are no school year openings, the deposit fee will be refunded. **Call 283-4724 with questions.**

Students in grades 3 - 6 will learn personal safety tips, tricky people, basic first aid, fire safety, handling the unexpected, internet safety, gun safety, dealing with loneliness and boredom, storm safety, dealing with siblings as well as trust and honesty. ## Why Play Mah Jong?

Mah Jong is a fascinating game, comparatively easy to learn. Using tiles, it plays similar to cards with drawing, passing and calling for tiles. The object of the game is to assemble the tiles you draw into one of 15 basic hands and values. The possibilities of shaping any hand into a winning combination are almost unlimited. It is fast-moving and exciting, too, with tension building as several players wait for only one tile to complete their hands. The beauty of the tiles and the high-scoring makes this a pleasurable experience. Limited to 12.

The Music Man is family entertainment at its best! This musical theatre classic features songs like “(Ya Got) Trouble,” “Seventy-Six Trombones,” “The Wells Fargo Wagon,” “Till There Was You,” “Gary, Indiana” and more! Meredith Willson’s six-time, Tony Award-winning musical comedy has been entertaining audiences since 1957. The Music Man follows fast-talking traveling salesman, Harold Hill, as he cons the people of River City, Iowa into buying instruments and uniforms for a boys’ band that he vows to organize – this, despite the fact that he doesn’t know a trombone from a treble clef. His plans to skip town with the cash are foiled when he falls for Marian, the librarian, who transforms him into a respectable citizen by curtain’s fall. Lunch is at 11:00, followed by the show at 1:00 with a supper stop on the way home. (Supper cost on your own.)
